Cambridge English Legal

Brief exam guide

International Legal English Certificate (ILEC)

Advance your international career in law

Access international opportunities

If you are a law student, you can use the qualification to:

- find a job in international commercial law
- study law in English, either in your own country or abroad.

If you are a practising lawyer, you can use the exam to:

- find a new job in international commercial law
- gain promotion within your own organisation
- learn English as part of a training programme.

Gain real-life English skills for the legal world

The exam is an in-depth assessment of your ability to operate in a legal context. It uses real-life situations you would expect to experience when working as a lawyer.

Take an exam that is fair and reliable

The exam is designed to be fair to people of all nationalities and linguistic backgrounds and is supported by a dedicated research programme.

Get a certificate that is accepted around the world

The exam is accepted by law firms, corporate legal departments and government agencies.

You can also use the exam for immigration to the UK.

What level is the exam?

The exam focuses on Levels B2 and C1 of the CEFR (Common European Framework of Reference for Languages) – the international standard for describing language ability. This is a high level of English.

www.cambridgeenglish.org/legal

What areas of law does the exam cover?

Typically, areas of law include:

- corporate
- business associations
- contract
- sale of goods
- real property
- debtor-creditor
- intellectual property
- employment
- competition
- environmental
- negotiable instruments
- secured transactions
- aspects of international law.

What's in the exam?

The exam covers all four language skills (reading, writing, listening and speaking) and knowledge of grammar and vocabulary.

Reading:

1 hour 15 minutes

Shows you can understand texts from sources such as legal journals, books and articles.

Writing:

1 hour 15 minutes

Shows you can complete writing tasks covering a range of law-related topics.

Listening:

About 40 minutes

Shows you can understand the meaning of a range of spoken material, such as law-related presentations, briefings, discussions and interviews.

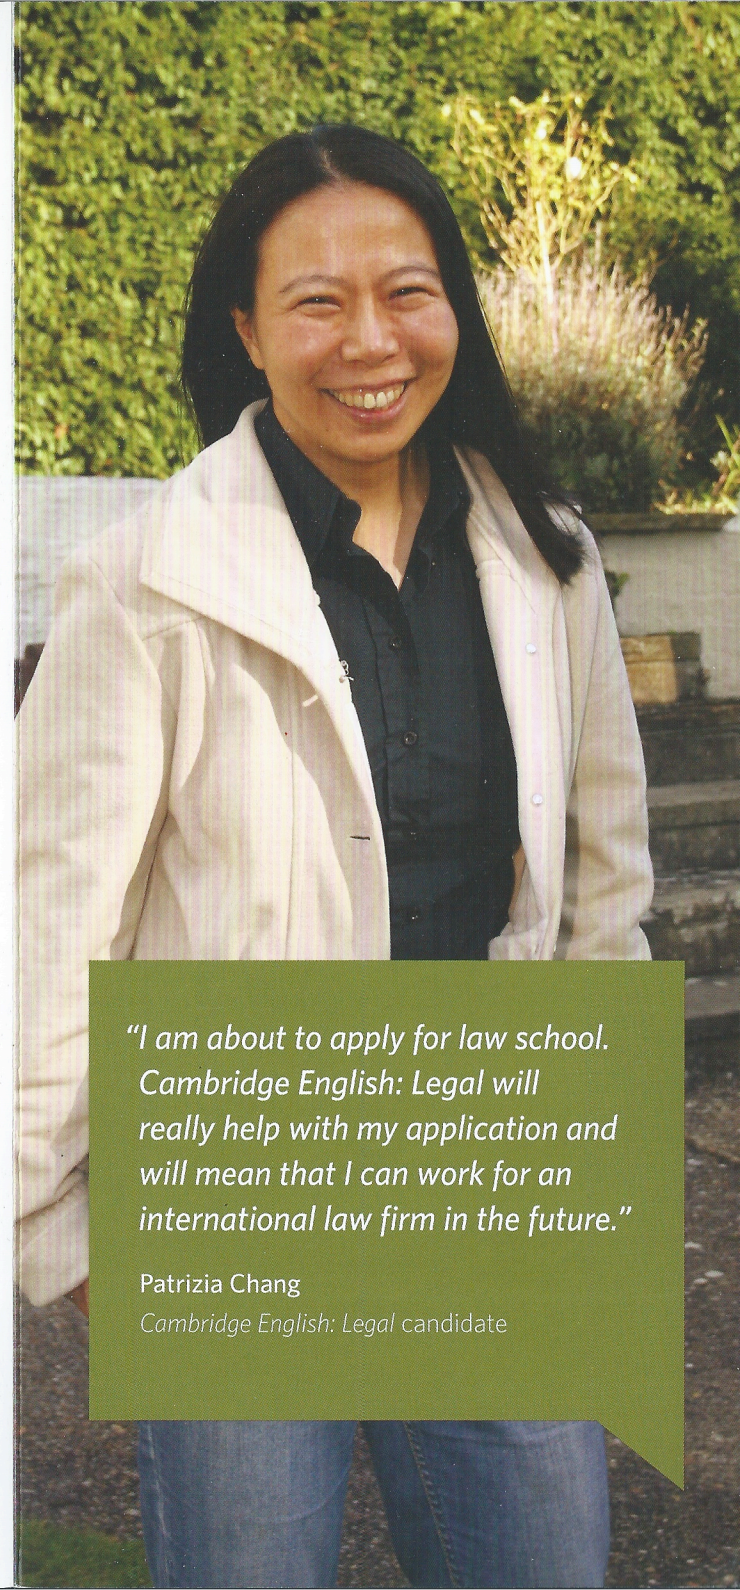

Speaking:

16 minutes

Shows you can perform a variety of spoken tasks on law-related topics. You take the test face to face with one or two other candidates.

Each paper is worth 25% of the total marks.
